(IN PERSON)

3:30 - 4:25  
INTRODUCTORY  
(IN PERSON)

4:30 - 5:25  
INTRODUCTORY  
(MIXED)

**YEAR-END  
PERFORMANCE**

We have plans to make this year's performance just as special - if not more than previous years. Students will find themselves with more opportunity to record, film professionally, and find themselves on the big screen.. If live performances are not possible by the end of the term, we will host a virtual concert with a virtual code that parents can share with all their friends, allowing each student to shine up close and personal.

**HEALTH AND  
SAFETY**

All Students taking in-person lessons are subjected to a **temperature check** prior to entering the school. **If the student has travelled outside Canada, they must notify the front desk prior to coming to school.** If we suspect any sign of sickness, the student will be asked to participate online instead. Because our class sizes are much smaller, no credits can be carried onto the new semester - all students should make up their classes online, or in person during a later week in the course.

All class sizes have been reduced to maximum of 4 students per introductory class, and 5 students per Beginner class.

Please sanitize your hand, or wash them with soapy water, before and after each class. You are all required to wear face shields and/or face masks, as well as respect social distancing in class.

Masks are available for purchase at the front desk for your convenience. Water dispenser with refillable options is temporary unavailable, but we will have bottled water for purchase if needed.

**TYPES OF CLASSES  
OFFERED**

Classes available both Online and In Person, or Mixed.

Introductory (Age 5 - 7)  
Introductory + (Age 7 - 8)
